		Other more	recent artic	cles by
leading No	orth Vietnames	e echo this th	noue. They a	ll reflect
a determi:	nation on the	part of the No	orth Vietname	se leadership
to fight	such an invasi	on and the tac	ctics to be u	sed suggest
that they	believe, in o	ombination wit	th the war in	South Vietn
they can	effectively we	ar down the U	S as they did	the French.
